Special Issue on Novel Coronavirus Vaccination ③

~Two mass vaccination venues have been added~

Vaccinations are mainly conducted individually at local medical institutions such as family doctors, but to speed up the pace of vaccinations for those who are 65 or older wishing to get vaccinated and they all finish it by the end of July, so vaccination venues were added.

※This is the information as of June 2. For up to date information including individual vaccination venues, please have a look at the city's website and search for

千葉県 コロナワクチン ("Chiba City corona vaccine")
