

## Special Issue on Novel Coronavirus Vaccination

Chiba City has sent vaccination vouchers to the elderly population, those 65 years old and older, by mail. There is information about how to make a reservation for people aged 70 or over.

\*Vaccinations are mainly conducted individually at your local medical institution such as family doctors.

### 1. Requests to City Residents

Vaccines for those who wish to get vaccinated will be available after mid-May. Please do not rush, and wait to contact each medical institution until your turn comes up.

#### (1) People aged 70 and older

Reservation methods and start dates for individual vaccinations vary depending on the medical institution.

2. Check the available medical institutions on “corona vaccine navi”, and please contact them after they start accepting reservations.

#### (2) People aged 65 to 69 years old

Regarding reservation start dates for individual vaccinations, please wait until the special Issue on Novel Coronavirus Vaccination ② is issued.

#### (3) Under 65 years old

Vaccination vouchers will be sent in sequence by age group. Thank you for your patience.

### 2. Available Medical Institutions for Vaccination

There are about 300 medical institutions providing vaccinations.

Vaccination reservations will start on May 1<sup>st</sup> at the earliest medical institution, but there are medical institutions that are not ready to start accepting reservations. For more details, please search for コロナワクチンナビ “Corona vaccine navi”.

#### (1) Vaccination General Information Corona Vaccine Navi

You can search for available medical institutions for vaccination and reservation methods.

\*Corona Vaccine Navi is NOT to make your reservation.
