Special Issue on Novel Coronavirus Vaccination②

COVID-19 vaccination vouchers were sent to people aged 65 and over who live in Chiba City. From Friday, May 21, reservations will be accepted for all people aged 65 and over. Vaccines are reserved for everyone, so applicants can be vaccinated without fail.

* Vaccinations are mainly conducted individually at your local medical institution such as your family doctors.

1. Requests when making a reservation

Please do not make duplicate reservations with multiple medical institutions for more than two doses of actual vaccination. If you cannot get the vaccination on your reserved date, please contact the medical institution.

【For those who are under 65 years old】

Vaccination vouchers are sent according to the priority set by Japan.

Thank you for your understanding and patience.

2. Vaccination General Information Corona Vaccine Navi

You can search for available medical institutions for vaccination and reservation methods. For more details, please search for corona vaccine navi.
