

Information about COVID-19 Vaccination (May 19)

Information concerning our COVID-19 vaccination system

1. The 4th Vaccination starts from late May

(1) Eligible person

- Those aged 60 and over
- Those aged 18 and over and confirmed by a doctor to have underlying conditions that increase risks for severe infections.

(2) Dosage interval

Five months or more after the 3rd dose

(3) Start of vaccination

From late May
 ※ Immediately after announced by the national government

(4) Voucher

Will be mailed to people aged 18 and over 5 months after they receive the 3rd dose.

(5) Reservation method

Those who are to be vaccinated can make reservations as soon as they receive vouchers after the reservation start date. [Reservation start date]

- Individual vaccination (general reservation slots) : mid-June
- Mass vaccination : May 27
- ※ Reservations for 'family doctor reservation slots' will be accepted by each medical institution (your family doctor). Please contact each medical institution (your family doctor) for reservation method.
