Request from the Municipal Government to the Residents (June 9)

The new guideline for mask-wearing practices has been presented by the central government as illustrated below. Please remain thorough in implementing infection prevention measures as well as avoid the Three Cs, regardless of the requirement of mask-wearing practices.

- ✓ In summer it is recommended to take off your masks outdoors to prevent heatstroke under the situation where the guideline states unnecessary. However, please take care not to force anybody to do so against his or her own will.

OUT DOORS	SUFFICIENT DISTANCING	INSUFFICIENT DISTANCING	IN DOORS	SUFFICIENT DISTANCING	INSUFFICIENT DISTANCING	
Having a conversation	Unnecessary 	Mask Recommended 	Having a conversation	Mask Recommended 	Mask Recommended 	 Wear masks during rush-hours or in crowded places
Little to no conversation	Unnecessary  Walking, Running, Cycling in the park	Unnecessary  Outdoor commuting on foot or by bicycle	Little to no conversation	Unnecessary  Library and Museum	Mask Recommended 	

(Quoted from the leaflets of the central government)

- ✓ Wear masks when you meet the elderly or visit hospitals.
- ✓ Refrain from going to work, school and travelling when you are not well.
- ✓ No children below school age are requested to wear masks regardless of the distance from others. The decision to let children wear masks has to be made by parents or other adults related to the children in full consideration of children's physical conditions.
- ✓ In case you feel not well such as having a fever or feeling of fatigue, please refrain from going out, and visit a medical institution after calling them for consultation in advance.
