

Information about COVID-19 Vaccination (Aug. 4)

New cases of infections are increasing rapidly in the city! Please consider getting vaccination as soon as possible!

1. Please consider the 4th vaccination!!

Expected effects by the 4th vaccination

☆ Preventive effect for severe disease

- Elderly people
- Persons with underlying conditions

<Eligible persons for the 4th vaccination>

○ 60 years of age or older
○ 18-59 years old who meet one of the following conditions
• Those who have underlying conditions (i.e. high blood pressure)
• Obese person with a BMI (weight in kg/square of height in meter) of 30 or more
• Those who are considered by the physician to be at high risk of serious illness
• Work staffs at medical institutions or care facilities for the elderly or the challenged person

The 4th vaccination will protect not only you but also those loved-ones, such as your family, friends, and elderly people. Mass vaccination venues are open during *Obon* holidays.

2. Reservation slots for August are filling up! Please make your reservation early.

You can easily get vaccinated at Mass Vaccination Venues.

You can:

- drop in the venue on your way back home from work
⇒ Open until **"21:00 on weekdays"**
- get vaccinated on holidays ⇒ Open on **"Saturdays, Sundays and holidays"**
- get vaccinated even if you do not have time to make reservation.
⇒ **"without prior reservation"** for the 3rd vaccination only
- get a vaccination together with your friends and colleagues at work.
⇒ reservation is open for **"group vaccination"**
- if you are concerned about side effects
⇒ can also get vaccinated with **"Novavax"** said to have relatively less side effects.

3. Vaccination venue (common to aged 12 & over)

- (1) Individual medical institutions : approx. 300 venues (Please contact the Vaccine Call Center.)
- (2) Mass vaccinations: as per the chart at right

Vaccination without prior reservation (3rd vaccination)
