

Information about COVID-19 Vaccination (Oct. 27)

Intervals between Omicron-targeted vaccine doses have been reduced to 3 months

1. Regarding Omicron-targeted booster shot

(1) Who is eligible for the vaccine?

For individuals 12 years of age and older who completed 1st and 2nd vaccination

***Each person can get vaccinated once.**

(2) The vaccination interval **[NEW]**

3 months or more after prior vaccination

(reduced from 5 months to 3 months)

(3) Reservation

Now accepting reservations until the end of November

(4) Vaccine types

October: Pfizer (BA.1)/Moderna (BA.1)

November: Pfizer (BA.4-5)/Moderna (BA.4-5)

Vaccination intervals have been reduced to **3 months**.

In other words, if you have vaccinated before July 27, you can already get another booster shot.

Get vaccinated **within this year** before COVID-19 would be going around during New Year's holiday.

Reservation method

- Chiba City Coronavirus Vaccine Call Center or Reservation Website : **reservations for the general public at individual medical institutions** and **reservations for mass vaccination venues** will be accepted through the call center or the reservation website shown below.
- Local medical institutions: **reservations for "family doctor reservation slots"** will be accepted by each medical institution (your family doctor). Please contact each medical institution (your family doctor) for the reservation method.

2. Mass Vaccination Venues (October & November)

The December schedule will be informed later.

3. Please consider getting vaccinated early towards New Year's holiday.

- For those 12 and older and have completed their primary doses (1st and 2nd), please consider getting next booster dose with BA.1 or BA.4/5-adapted vaccines whichever you can have access sooner.
- Conventional vaccines are still available (for 1st and 2nd booster shots) at Chiba Chuo Community Center.
- Book your reservation early while some venues still have reservation slots available.
