

Information about COVID-19 Vaccination (Nov. 10)

Please consider getting Omicron- targeted booster shots towards New Year's holiday

1. Regarding Omicron-targeted booster shots

○ For those who have been vaccinated by **August 10** are eligible for another booster dose with Omicron-targeted vaccine.

*The vaccination interval: 3 months

○ For those who are eligible, please consider getting vaccinated early.

○ Who is eligible for the vaccine?

For individuals 12 years of age and older who completed 1st and 2nd vaccination

2. Now accepting reservation through December

		for Nov.	for Dec.
Individual (General)	Omicron-targeted vaccines (12 and over)	Now Accepting	from Nov. 18 (Fri.)
	Children (5-11 yrs and over)		from Nov. 22 (Tue.)
	Infants/toddlers (6 months-4 yrs)		Now Accepting
Mass vaccination (Omicron-targeted vaccine/ children/ infants&toddlers)			Now Accepting

Now we are accepting reservations until the end of December. In this winter, it has been concerned about the simultaneous spread of COVID-19 and seasonal influenza, so please **consider getting vaccinated within this year** in preparation for the spread during New Year's holiday.

Reservation method

- Chiba City Coronavirus Vaccine Call Center or Reservation Website : **reservations for the general public at individual medical institutions and reservations for mass vaccination venues** will be accepted through the call center or the reservation website shown below.
- Local medical institutions: **reservations for "family doctor reservation slots"** will be accepted by each medical institution (your family doctor). Please contact each medical institution (your family doctor) for the reservation method.

3. Mass Vaccination Venues (until the end of December)

The January schedule will be informed later.
